Ebook Details:

Review: I am on the second book in the Camel series now because I truly enjoyed this book. I am also a writer (of business novels) and a former professor of English. This book scores on all levels. The four members of the Camel Club are unique and fascinating. The villains are almost as fascinating. The story moves quickly (but at a pace that allows the...

Description: Welcome to THE CAMEL CLUB. Existing at the fringes of Washington, D.C., the Club consists of four eccentric members. Led by a mysterious man known as Oliver Stone, they study conspiracy theories, current events, and the machinations of government to discover the truth behind the countrys actions. Their efforts bear little fruit-until the group...
